

Notice for Company Split

This is to announce that Tryfunds Inc. will split “BIZIT M&A” (M&A Matching Platform) business (the “Business”) as of August 1, 2019 for the purpose of its further development, and “BIZIT Inc.”, a newly established company, will succeed the Business.

The new structure will clarify that BIZIT Inc. as an independent company will be accountable for the Business, enable it to achieve expedited decision-making and flexible business management, and thereby further increase the competitiveness of the Business and the corporate value of our enterprise group. We really appreciate your continuous support as well.
